

PROTECTIVE EYEWEAR

The Brightest Idea In Protective Eyewear

From its lightweight frame to its contemporary design, **Luminary™** has the look, fit, and feel that make it one of the lightest and brightest solutions in safety eyewear.

Unique, translucent temple insets give **Luminary™** a cutting-edge style, while soft, pliable temples provide all-day comfort and a fit that's suitable for any size face. Plus, at only four-fifths of an ounce, **Luminary™** is so light, your workers will forget they even have them on.

The large, one-piece polycarbonate lens, with an integrated browguard and wrap-around design, offers excellent coverage against workplace hazards. So, the next time you reach for a pair of safety glasses, grab hold of the lightest and brightest idea in protective eyewear – grab hold of **Luminary™**.

Gateway
S A F E T Y

Luminary™ protective eyewear's ultra-light weight and translucent temple insets combine to provide workers with all day comfort and brilliant styling.

Luminary™ Features

- Ultra-lightweight design – just four-fifths of an ounce – makes it easy to wear all day, every day.
- Patent-pending design includes unique, translucent temple insets for an electrifying new look.
- Elastic temples help relieve pressure behind the ears and provide superior comfort.
- ‘Fingertip’ nosepiece reduces slippage, so glasses stay on securely.
- Large, one-piece polycarbonate lens, with an anti-scratch coating, offers durable protection.
- Wrap-around design, along with an integrated browguard, ensures complete protection.
