

ProGlo®

25ft 12/3 SJTW

Trouble Light with Metal Cage

Provides light when and where you need it. Perfect for those hard-to-reach places. Light weight and yet super tough. Heavy duty SJTW cord is designed for indoor or outdoor use and remains flexible in temperatures well below freezing. Our large handle features a non-slip ski grip with a heavy duty grounded tool receptacle. Each clear male plug has a built-in amber neon light which indicates there is power in the cord and outlet. Recommended for use with 60 and 75-watt light bulbs.

WARNING: ⚠️ This product can expose you to chemicals including lead, which is known to the State of California to cause cancer and birth defects or other reproductive harm. For more information go to www.P65Warnings.ca.gov.
